

HUMBOLDT STATE UNIVERSITY

College Creek Complex

Arcata, CA

THE COLLEGE CREEK COMPLEX

is located next to a community center and NCAA soccer field. The apartments are designed to make life easier for all residents. Their location on the southwest corner of campus offers convenient access to the school's academic core and recreational areas, while the proximity to downtown Arcata makes it a breeze to get around on foot or bicycle.

COLLEGE CREEK FIELD

Built to NCAA standards, the artificial turf field is constructed from recycled rubber and is 20 yards longer than the Redwood Bowl field. In addition to soccer, intramural teams and club sports have access to the field, as do students looking for a pick-up game of Ultimate Frisbee.

GREAT HALL & MARKET PLACE

The 15,000-square-foot Great Hall, located behind the big clock, is the newest gathering space on campus. Included in the complex is the College Creek Marketplace, which opened in February. It features fresh produce, prepared foods and lots of convenient meals to fuel late night study sessions.
